# ABOUT *Movella*

- Movella is a pioneering company dedicated to digitizing movement to empower individuals and organizations to drive positive change.
- Their mission revolves around providing intelligent solutions for sensing, capturing, and analyzing motion and states of being.
- Movella accelerates innovation and facilitates extraordinary outcomes across diverse sectors such as entertainment, sports, health, and industrial markets.

- 
- Movella, a seasoned user of Rapidi for ten years, integrates NAV and Salesforce for efficient operations.
  - The integration ensures seamless data flow, providing the sales team with comprehensive customer insights. Upgrading to NAV 2018 prompted changes in the Salesforce implementation, facilitated smoothly by Rapidi's intermediary role.
  - This upgrade also included transitioning to NAV Web Services interface.

*Rapidi is intuitive when designing schedules. We also love the visibility that it provides, that assists us when a problem does occur.*

*Jeroen Weijts, Senior Operations Manager, Movella*
